

## **Property Review Group Decision**

### **LS-HGSC-1-1A Hither Green, Land at Baring Road**

Dear Consultee

Transport for London have confirmed that they are no longer interested in this site. Following review, PRG agreed to release the site for open market sale.

Kind regards

---

Dear Consultee

During 2004, the SRA undertook a consultation on the proposed release of this site.

Objections to release were made by Transport for London and LTUC for part of the site for development of bus garage and Freightliner for rail freight use.

After reviewing the location of the site, the SRA concluded that the site is unsuitable for freight use and that it should be conditionally released for sale to Transport for London for development of bus garage, with the remainder of the site not required released for open market disposal. The sale of the site to Transport for London will be subject to the agreement of suitable terms.

Regards
