

Property Review Group Decision

BI-THD-46-1 Alfreton, Land off Mansfield Road

Dear Consultee

During 2006 a consultation was undertaken on the proposed release of this site.

No objections to disposal were received. Consultation identified a potential issue of land ownership between Network Rail and BRBR in respect of existing short stay and taxi rank. This is being addressed. Following review PRG concluded that the rest of site should be released for open market sale.

Kind regards
