

Property Review Group Decision

LNE-MH-9-1 Dovercourt Bay, Land south of railway at Pattrick's Lane

Dear Consultee,

We would like to thank you for your responses to this consultation, which was carried out in January 2006.

This site is not of use for port related development and no transport use has been identified for this site other than the existing cycle route. Following consideration, Property Review Group has now released the site for open market sale subject to the cycle route being protected.
