

Property Review Group Decision

LNE-NOCR-9-1 Hoveton & Wroxham, Former Goods Yard

Dear Consultee

During 2006 we consulted on possible transport uses for this property and would like to thank you for your response.

Objections to disposal were received for use of the site for freight. Further analysis and discussions with freight operators have confirmed that given the location and potential markets for the site that freight traffic use is unlikely.

Following review PRG concluded that the site should be released for open market sale.

Kind regards
